Voluntary Steward Agreement

Voluntary Steward Procedures

Please read the following Procedures carefully. It contains important information about your obligations as a Voluntary Steward.

Stewardship Ontario was established under the Waste Diversion Act (WDA), 2002, incorporated in 2003 and is responsible for the implementation of the Blue Box program. The Blue Box Program Plan (BBPP) was developed and implemented by Stewardship Ontario, on behalf of industry and received Minister of the Environment approval in December 2003 and came into effect in February, 2004.

The Program Plan includes a set of Stewardship Ontario Blue Box Rules for Stewards that defines who is an obligated Steward and outlines Stewards' obligations. It includes an obligation hierarchy and in the absence of a resident brand owner, the legal obligation falls to the "first importer" – typically the retailer or distributor that has residency in the province. The Rules include a provision that allows companies or organizations that are **brand owners** but **not resident in Ontario** to become stewards of the designated blue box waste that would otherwise be the responsibility of the first importers. This provision, Section 2.7 of the Rules for Stewards, permits Voluntary Stewards to accept reporting responsibilities and make payments on behalf of the obligated first importer Steward in order to reduce the administrative burden on that Steward.

Overview of Voluntary Steward Obligations

- When you become of Voluntary Steward with Stewardship Ontario, you become a Steward under the Waste Diversion Act which requires companies that are "stewards" of Designated Blue Box Waste (DBBW) to share in funding 50 per cent of the net cost of the Ontario municipal Blue Box Program.
- You must also register as a Steward with Stewardship Ontario on the [WeRecycle Portal](#) and comply with all the requirements of the applicable Rules for Stewards.

Voluntary Stewards

Voluntary Stewards must review the procedures below and complete a Voluntary Steward Agreement (VSA), and submit the VSA for review and approval by Stewardship Ontario.

Terms and Conditions

A brand owner not resident in Ontario can elect to become a Voluntary Steward and assume responsibility for reporting and paying stewardship fees for all the DBBW associated with their brands if it meets the following criteria:

1. Not resident in Ontario.
2. Resident in Canada.
3. Supplies the equivalent or more than 15 tonnes (15,000 kilograms) of DBBW to Ontario residents.
4. Agrees to execute a Voluntary Steward Agreement.
5. Agrees to assume responsibility for all the DBBW for which it is the Brand Owner, which it supplies into Ontario.
6. Agrees to provide a list of all its brand names as a schedule to the Voluntary Steward Agreement.
7. Agrees to provide a list of names of all its first importer customers in Ontario for which it is assuming responsibility as a schedule to the Voluntary Steward Agreement. (Voluntary Stewards are not allowed to volunteer for some retailers and not others.)
8. Agrees to notify each of its listed customers that they are not obligated to report on the brands for which the Voluntary Steward is taking responsibility.

In order to become a Voluntary Steward, a company must complete a Voluntary Steward Agreement and enter into a contract with Stewardship Ontario and pay fees on behalf of the otherwise responsible Steward.

If a Voluntary Steward defaults on its responsibility under its contract with Stewardship Ontario, the agreement can be declared null and void by Stewardship Ontario giving notice to the Voluntary Steward. In this case, the obligation reverts to the obligated Steward in Ontario of the DBBW.

Examples of Voluntary Steward Scenarios

Under Stewardship Ontario’s current policy, the following table provides some examples of applications that will not be accepted. It is not intended to be a comprehensive list:

Table 1: Proposed Voluntary Steward Arrangements that are Not Acceptable

| Example | Explanation |
|--|--|
| Ontario supplier exempt under Blue Box Rules for Stewards. | The purpose of the Voluntary Steward Agreement is to identify additional stewards outside of the Province of Ontario who wish to contribute to the program – therefore exemptions do not apply to Voluntary Stewards outside of the Province of Ontario. |
| Industry association | Does not meet requirement of being a brand owner and therefore not a Steward of DBBW |
| Applicants’ “Schedule B” indicates a plan to volunteer for some customers but not others | Application would be rejected as not in compliance requirements of Section 2 of the Voluntary Steward Agreement |

Steps for Completing Application for Voluntary Steward

A person or company that elects to become a Voluntary Steward under the Rules must follow the steps laid out below.

1. Register with Stewardship Ontario on the CSSA WeRecycle portal: <https://wecycle.cssalliance.ca/irj/portal>. Please ensure that you self-identify as a Voluntary Steward in the obligation section of the portal.
2. Review and complete all sections and Schedules of the Stewardship Ontario Voluntary Steward Agreement available on Stewardship Ontario's website. If you have any questions please contact Steward Services by telephone at **1-888-980-9549** or by email at stewards@cssalliance.ca.
3. Sign and return a copy of the completed Voluntary Steward Agreement and accompanying schedules to Stewardship Ontario by fax to 1-844-471-1836 or email a scanned copy to stewards@cssalliance.ca **no later than December 1 of a calendar year**. Stewardship Ontario recommends that Voluntary Steward Agreements be submitted as soon as possible since timing is critical to minimize double counting and to enable other Stewards to report on other DBBW for which they remain responsible. Retain a copy of this correspondence for your records and to provide as evidence of the submission.
4. If the Voluntary Steward Application to become a Voluntary Steward is approved by Stewardship Ontario, a signed copy will be returned to you within 15 calendar days of its receipt. You will then be required by the agreement to notify all companies listed in Schedule B that you have been accepted as a Voluntary Steward and that you will assume the reporting and financial responsibilities for all the (DBBW) identified with your Brand that you supplied in Ontario.
5. If the Voluntary Steward Application is not complete, or is not approved you will receive notification by email from Stewardship Ontario.
6. The approved Voluntary Steward shall prepare and submit a Steward's Report to Stewardship Ontario indicating the quantity, in kilograms or units, of DBBW and remit the required payments in accordance with the Blue Box Rules for Stewards.

Questions - Please direct any questions to Stewardship Services by telephone at **1-888-980-9549** or by email to stewards@cssalliance.ca.
