

January 21, 2004 – Workshop & Simulcast

AGENDA

• **Workshop 1 - 10:30am to 12:00pm** •

“Understanding Your Company’s New Ontario Blue Box Funding Obligations”

A review and demonstration of how "Obligated Stewards" go about confirming their obligation status, identifying and collecting data on their designated "Blue Box Wastes", and how they will register with and report to Stewardship Ontario.

Hosted by Damian Bassett – CEO, Stewardship Ontario

Steve Savage – BDO Business Technology Solutions Inc.

Steve will walk the audience through the online Data Reporting & Management System - illustrating three scenarios of companies registering with Stewardship Ontario: 1) a company with a single point of reporting; 2) an organization with multiple divisions and locations reporting into one company registration; and 3) a company choosing to use the Sectoral Calculator.

Gordon Day – Technical Services, Stewardship Ontario

Gordon will review the steps to compliance, including: determining if you are obligated or exempt, identifying your Blue Box wastes, fee calculation options - including the Sectoral Calculator, reporting requirements, and fee payment schedules.

11:30-12:00 = Q&A Session

• **Workshop 2 - 1:30pm to 3:00pm** •
