

Final Stewardship Ontario fees for 2009 were calculated using the approved steward fee setting methodology. No changes were recommended to the fee-setting methodology this year.

The proposed 2009 BBPP Rules and the preliminary 2009 fee rates were presented at the September 12 consultation. Comments on this presentation were received by Stewardship Ontario until September 26. On October 8, the Stewardship Ontario Board of Directors reviewed the comments and agreed to forward the recommended 2009 fees to The Board of Directors of Waste Diversion Ontario for approval. The Board of Directors of Waste Diversion Ontario provided final approval on October 22.

### Final Stewards' Fee Rates for 2009

The following table presents fee rates which reflect the approved financial obligation to municipalities of \$78.5 million and include a credit for the projected unallocated operating surplus.
